CONTROL ROOM

Different Channels. Different truths.

Directed by Jehane Noujaim.

Followed by a Q &A session and a panel discussion.

CONTROL ROOM provides an eye-opening look at Al Jazeera, the independent news network that is the most popular source of information in the Arab world. Demonized by the Bush administration and banned by some Islamic nations, Al Jazeera is faithfully watched by 40 million people. As the U.S. and Al Jazeera media coverage of the war is compared, the filmmakers suggest that Truth is gathered, presented, and ultimately created by those who deliver it. *In English and Arabic with English subtitles.*
